

SAMPE Student Selection 2021

Are you a PhD, EngD, or Master student researching Advanced Materials, Processing or Manufacture?

How about an expenses paid trip to represent SAMPE Italy at the next SAMPE Europe Conference?

Present your work online at our competitive seminar on 11th May 2021 at 9;

The student judged to give the best presentations will be sent to the SAMPE Europe Conference held in Baden / Zürich (Switzerland) on 29 – 30 September 2021, and take part in the European heat of the Students' Seminar (<https://www.sampe-europe.org/students>)

Win that and go on to represent SAMPE Europe in the USA in 2022!

This is a great chance to meet and network with research students from across Europe.

A committee of three expert in the field of advanced materials will evaluate your presentation and select the winner

Deadline for submission of abstracts: 3rd May 2021.

SAMPE Student Selection 2021

Students are invited to join the panel of experts online on the morning on Tuesday 11th May 2021, to give a 15-minute presentation with 5-minutes extra for questions, on their thesis project

All participants must be SAMPE student members (<https://www.sampe-europe.org>) for the year 2021 which leads to several advantages, such as receiving SAMPE Journal, reporting latest news from industry and research, besides feature articles on advanced materials (€ 20 according to attached form). SAMPE Italy club will pay a complimentary subscription for 2022 to the best five presentations.

Participation in that European conference and students' seminar is a fantastic opportunity to network with other European researchers, in the true SAMPE spirit. The overall European winners will go on to represent SAMPE Europe in the USA on an expenses paid trip in 2022..

Masters and Doctoral research students are invited to participate in this competitive Students' Seminar

To be considered as a participant for this event, please complete and send a 300 words max abstract including affiliation name of thesis advisor and a proof of SAMPE student membership to: Prof. Alfonso Maffezzoli (alfonso.maffezzoli@unisalento.it)
